ZAMANI

Named after the Swahili word for “time,” this collection blends past, present and future seamlessly. Inspired by the beauty of the cosmos, it encourages you to explore yourself and feel empowered.

***ZAMANI** offers 10 distinct groups from “Nature’s Palette” to “Mystical & Funky”, each showcasing our designer’s creative diversity, and similarly to the timeless beauty of Aphrodite, celebrating femininity and grace.*

With 56 meticulously crafted original designs, we embrace every woman’s curves and strength. Our fabrics flow elegantly, adorned with delicate details, creating a sense of romance, mystery, beauty and desire. Each piece in our collection reflects your uniqueness, like stars shining in the night sky.

We are committed to sustainability and ethical craftsmanship, honoring our planet through fair practices, representing a new luxury that nurtures both your soul and the environment.

To honor this commitment, we encourage our wholesalers to pre-order the collection, ensuring that only small and exclusive batches are made available.
